Class 15 Fundraising Summary: Thank you for helping us exceed our fundraising goal!

The roster below represents all donations received for Class 15, with the exception of endowment contributions. The donation period represented is July 1, 2013 through June 8, 2015. If you have made a donation since this issue went to press, or we have inadvertently omitted your name, please accept our apologies. Donors in italics are LEAD alumni.

Keep in mind that as of July 1, 2015, we will begin a new class fundraising cycle, and as a result will wipe this donor roster clean. So, if you want to be recognized as a donor to Class 16, please remember to make a contribution! You should see new solicitation materials arrive later this summer, or use the donation card in this newsletter and send in your contribution today.

We sincerely appreciate your continued investment in our program. Without your support, we would not be able to continue to offer this high-quality leadership development experience to our future industry and community leaders. Thank you!
