Every voice counts, and your participation is anonymous. What you choose to share is up to you concerning any and all impacts - on you personally or professionally - and any shifts you have seen in the beliefs, attitudes, sense of place and networking of organizations, neighborhoods, community groups, government, etc.

Feel free to share this message with others who may be interested in providing input.

THANK YOU!

On behalf of R2G Utica’s evaluation team, thank you in advance for your participation in this important project! Your voice will help the University to evaluate their past and future investments in the Utica community.

Best wishes,

Caroline, Diane, Lynne, Ron and Paula
