Cornell Farmworker Program

Summer Internship Program

Would you like to be paid to work with the Cornell Farmworker Program while conducting research and educational outreach to address the needs of farmworkers in New York State?

Internship research topics may include:
- Conducting research to assess farmworker needs
- Providing on-farm workshops including: English as a Second Language, Chemical Safety, and Emergency Planning
- Surveying farmworker services and their usage
- Examining farmworker perspectives on labor issues
- Canvassing immigration concerns and developing relevant extension materials

Application deadline: March 2, 2015
